

Toolkit Index

The Teaching Skills That Matter Toolkit can be searched in the following ways:

- [Tools by Skill](#)
- [Tools by Approach](#)
- [Tools by NRS Level](#)

Tools by Skill

Adaptability and Willingness to Learn

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Money Management Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Communication

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Critical Thinking

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Interpersonal Skills

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Navigating Systems

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Problem-Solving

Civics Education: First Amendment Rights Lesson Plan

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Social Media Lesson Plan

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Processing and Analyzing Information

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Respecting Differences and Diversity

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Self-Awareness

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Tools by Approach

Integrated and Contextualized Learning

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Problem-Based Learning

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Project-Based Learning

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Tools by NRS Level

Beginning ABE Literacy (NRS Level 1)

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Beginning Basic Education (NRS Level 2)

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Low Intermediate Basic Education (NRS Level 3)

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

High Intermediate Basic Education (NRS Level 4)

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Digital Literacy: Social Media Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan Workforce Preparation:

Workforce Preparation: O*NET Interest Profiler Lesson Plan

Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Low Adult Secondary Education (NRS Level 5)

Civics Education: Flint Water Crisis Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Digital Literacy: Social Media Lesson Plan

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Workforce Preparation: Local Labor Market Information Lesson Plan

Workforce Preparation: O*NET Interest Profiler Lesson Plan

High Adult Secondary Education (NRS Level 6)

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Introduction to Purchasing a Car Lesson Plan

Financial Literacy: Money Management Lesson Plan

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Beginning ESL Literacy

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Low Beginning ESL

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: What Is Good Health? Lesson Plan

High Beginning ESL

Digital Literacy: Workplace Safety Lesson Plan

Health Literacy: Barriers to Successful Patient-Doctor Communication Problem-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Low Intermediate ESL

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Civics Education: Sharing Our Expertise with Local Schools Project-Based Learning Lesson

Digital Literacy: Workplace Safety Lesson Plan

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: Health Information and the Internet Lesson Plan

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

High Intermediate ESL

Civics Education: Community Involvement as Social Change Integrated and Contextualized Learning Lesson

Civics Education: First Amendment Rights Lesson Plan

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Cultural Stereotypes Online Problem-Based Learning Lesson

Digital Literacy: Sharing Information about Important Safety Signs Integrated and Contextualized Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Financial Literacy: Household Cash Flow Integrated and Contextualized Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Health Literacy: The Cost of Smoking Integrated and Contextualized Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson

Advanced ESL

Civics Education: Raising Public Awareness of Adult Basic Education Problem Based Learning Lesson

Digital Literacy: Folk Stories Project-Based Learning Lesson

Financial Literacy: Changing Jobs Problem-Based Learning Lesson

Financial Literacy: Eating Healthy on a Budget Project-Based Learning Lesson

Health Literacy: Field Trip to a Hospital or Health Care Facility Project-Based Learning Lesson

Workforce Preparation: Classroom Workplace Code of Conduct Project-Based Learning Lesson

Workforce Preparation: Event Planning Integrated and Contextualized Learning Lesson

Workforce Preparation: Unmet Workplace Performance Outcomes Problem-Based Learning Lesson
